Submitter Notes: I am Roberta Hill, Brian's mother. I am filing this through VACES on Brian's behalf due to his federal probation conditions where he is not allowed to use the internet. He is having me file these pleadings on his behalf, his Letter to CAV Clerks apologizing for harsh words and coming to wrong conclusion and attachments. My son is having me to serve the respondents through email. Brian wanted to apologize for anything in the last filed letter. He just wants to protect his due process of law. He has been through enough hurt already and he only wants justice.
